

You're bear-y special!

You lift my spirits.

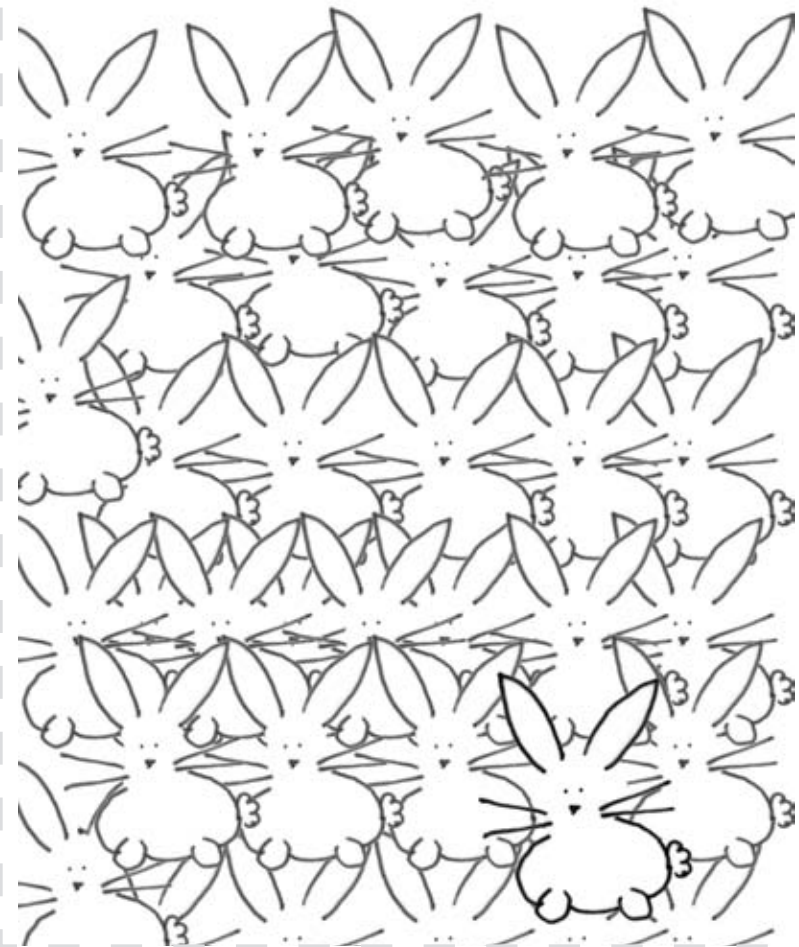

Will you bee mine?

I think you're egg-ceptional!

You're one in a million!

Happy Valentine's Day!

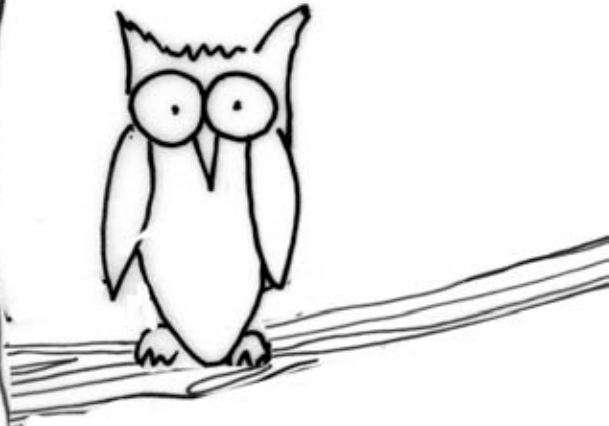

I pick you.

You're doggone wonderful!

You're a hoot!

You brighten the rainiest of days.

Of all the fish in the sea,
you're the one for me!

I'm nuts about you!
