

You lift my spirits.

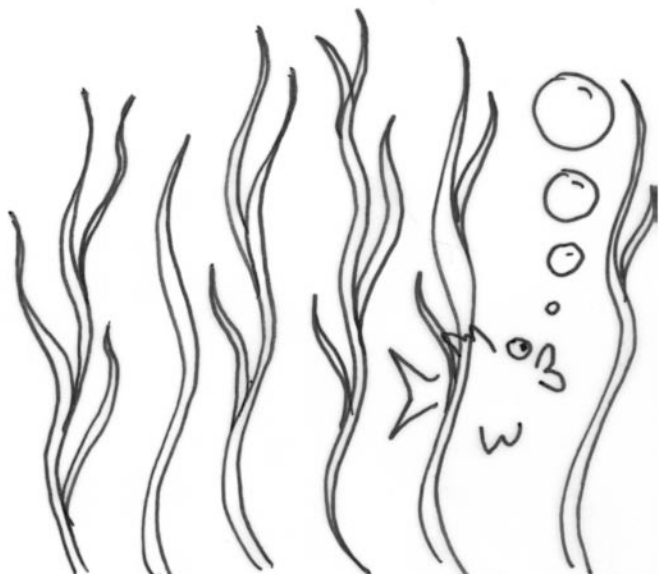

I think you're  
egg-ceptional!

Will you be mine?

Of all the fish in the sea,  
you're the one for me!

Happy Valentine's Day!

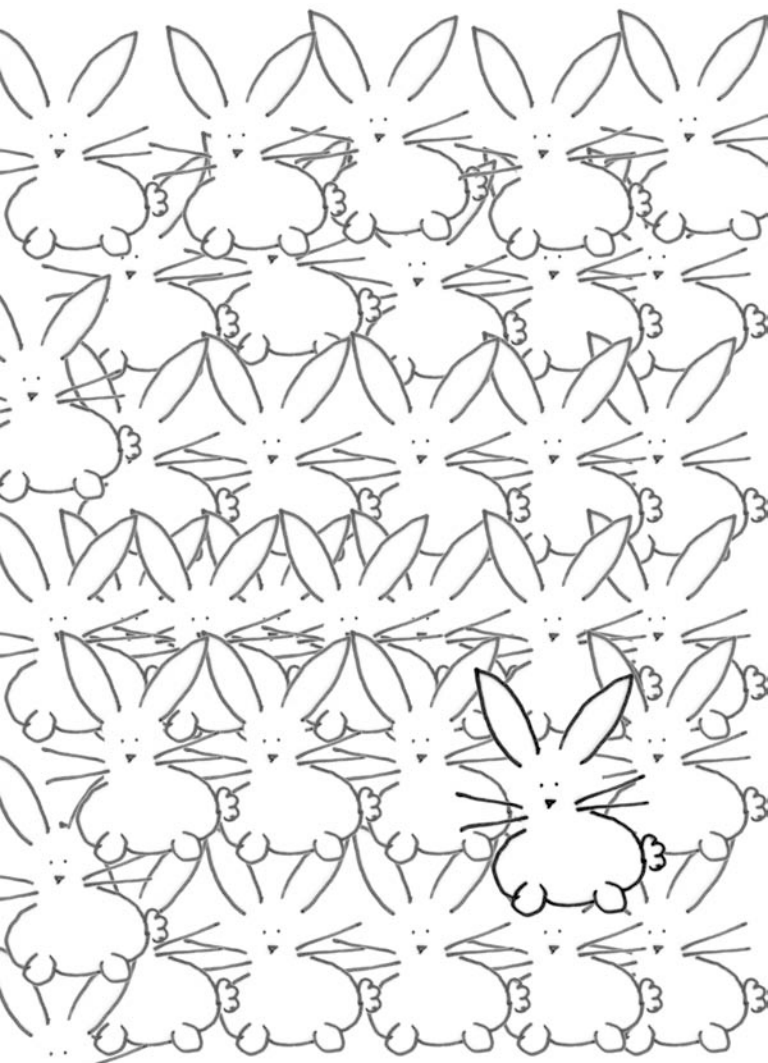

I pick you.

You're bear-y special!

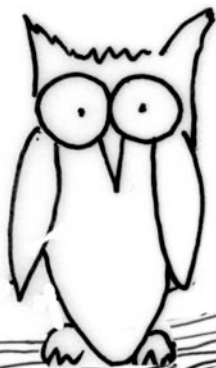

You're one in a million!

You're doggone  
wonderful!

You're a hoot!

You brighten the rainiest of days.

I'm nuts about you!
